terms and conditions of employment of certain employees to the Board,
the parties hereto, pursuant to Chapter 123, Laws of 1974, mutually
agree as follows:

ARTICLE I - Recognition

The Board hereby recognizes the Commercial Township Education Associa-
tion as the exclusive majority representative for all full time, fully
certified, non-supervisory, professional employees of the Commercial
Township Board of Education whose primary job function is within the
following positions:

Classroom Teachers

Child Study Team

Nurses

Speech Therapists

Teaching Specialists

Remedial Teachers

Guidance Counsellor

and excluding all other employees of the district.

Unless otherwise indicated, the term "teacher" when used in the agreement shall refer to all unit members, whether male or female, represented by the Association.

ARTICLE 11 - Teacher and Board Rights

A. Teacher Rights

1. Pursuant to Chapter 123, Public Laws of 1974, teachers shall have the right to organize and support the Association and its designee affiliates.
2. No teacher shall be discriminated against because of membership, or lack thereof, in the Association.
3. All teachers shall have the right to periodically review their personnel files as maintained by the Board. The Board agrees to make all files pertaining to the individual available upon request. A teacher shall be informed as to the number and location of his or her files upon request of the specific teacher.
4. Appointments should be made with the Superintendent's office, (or Principal's office) at least two (2) days in advance for reviewing files. Such appointments shall be so scheduled unless the Superintendent or Principal has a specific reason why a longer period of time is appropriate. In such case, reason for delay shall be given and specific time set.
5. If derogatory material is claimed by a teacher to be present in her file, that teacher will be permitted to respond to such materials and such response will be included in that teacher's file.

6. Any reprimand of a teacher by the Board or any agent thereof shall be conducted in private between the Board, a committee thereof, the Board's agent or agents and the teacher or teachers involved.
7. Any change in Board or Administrative Policy which impacts on employees' terms or conditions of employment shall be submitted in writing to the President of the C.T.E.A. prior to inclusion in the Handbook for Teachers.

B. Board's Rights

1. The Board on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it by the applicable laws and regulations of the State of New Jersey, including, but without limiting the generality of the foregoing, the right:
 - a. To the executive management and administrative control of the school system and its properties and facilities, and in school activities of its employees;
 - b. To hire all employees, and subject to the provisions of law, to determine their qualifications, and the condition for their continued employment, or their dismissal or demotion; and to promote, and transfer all such employees;
2. Nothing contained herein shall be considered to deny or restrict the Board of its rights, responsibilities and authority under the New Jersey School Law, commonly known as Title 18A, or any National or State laws or regulations as they pertain to education.

ARTICLE III

GRIEVANCE PROCEDURE: The grievance procedure set forth in the Board of Education/CTEA Agreement, Section 3070, a copy of which hereto attached and every part of which is incorporated herein by reference as fully and completely as if the same were fully herein set forth shall be the grievance procedure in force during the term of the agreement.

A. Definitions

1. A "grievance" is a claim by a teacher or the Association based upon the interpretation, application, or violation of this Agreement, policies or administrative decisions affecting a teacher or group of teachers.

An "aggrieved person" is the person or persons making the claim.

2. A grievance to be considered, must be initiated by the employee within ten (10) working days of the time of its occurrence.
3. If prior to the completion of the ten (10) working days the school year officially ends, that being the last day school is in session for teachers, the remainder of the working days will be carried over to the following school year and continues to be calculated beginning with the first day of school.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

The aggrieved person may elect to have a representative of his choice present for assistance during the grievance proceedings.

2. Level One

A teacher with a grievance shall first discuss it with his principal in an attempt to resolve the matter informally at that level.

3. Level Two

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within six (6) school days after presentation of the grievance, he may file the grievance in writing to his principal. The principal shall communicate his decision to the teacher, in writing, with reasons, within six (6) school days of receipt of the written grievance.

4. Level Three

The teacher, no later than six (6) school days after receipt of the principal's decision, may appeal the principal's decision to the Superintendent of Schools.

The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal as specified above and his dissatisfaction with decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days. The Superintendent shall communicate his decision in writing with reasons to the employee and the principal.

5. Level Four

If the grievance is not resolved to the teacher's satisfaction, he, no later than six (6) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request within six (6) school days to the Board of Education. The Board shall review the grievance and shall, at the option of the Board or upon the request of the teacher, hold a hearing with the teacher within thirty-five (35) calendar days of receipt of the grievance by the Board or of the date of the hearing with the employee, whichever comes later.

6. Level Five

The Board shall communicate its decision in writing to the employee, and his superiors, through the Superintendent of Schools, within fifteen (15) calendar days after the hearing of the Board of Education.

7. Level Six

If the grievant is not satisfied with the disposition of the grievance at this level, or if no decision has been rendered within thirty-five (35) calendar days after the grievance was delivered to the Board, he may within seven (7) calendar days, request in writing that the Chairman of the Grievance Committee submit his grievance for arbitration.

If and when the Grievance Committee determines that the grievance is meritorious, only then, shall it be considered for submission to arbitration. Grievances so determined may be submitted for arbitration only by the Grievance Committee.

The Arbitrator shall confine himself to the issue presented under this agreement, and after presentation of the grievance in a hearing shall render his decision in writing to both parties within thirty (30) calendar days.

Only the cost of the Arbitrator and his necessary expenses shall be borne equally by the Board and the Association. The decision of the Arbitrator will be binding upon both parties.

ARTICLE IV - Transfers and Reassignments

1. A list of all known vacancies for the following year shall be posted on the bulletin board of every school by May 15th. Other vacancies and new positions will be posted within two weeks of Board action. The Association President will receive copies of all postings including those which arise during school vacations.
2. Any teacher desiring to change teaching assignments or room assignments shall apply for such change in writing to the Superintendent of Schools no later than May 15th.
3. Tentative room and teaching assignments for the following year shall be posted on the bulletin boards of every school before May 30th.
4. Except in an emergency situation, no involuntary transfer(s) or reassignment(s) shall be made without the Superintendent

providing the teacher with a conference and advising the teacher of the reason for such change. In the event of an emergency transfer or reassignment, upon the request of the teacher transferred or reassigned, the Superintendent will provide that teacher with a conference in which the teacher will be advised of the reason for the change.

5. Any transfers, reassignments or vacancies occurring after May 30th shall be considered emergency situations; for any change after this date, the teacher shall be advised in writing at his home or file address.
6. Any unexpected vacancy will be posted as soon as is practical. Employees desiring a change in assignment for the following year will so indicate in a survey to be conducted by the Superintendent or his designee at mid-year.

Copies of all surveys will be filed with the association by March 30th.

All persons responding to such survey will be considered. The final decision concerning new assignments will remain that of the Board of Education.

ARTICLE V - Non-Instructional Duties

An equal distribution of all non-instructional duties among all faculty members shall be observed. Because of the uncertainty of the availability of certain staff members, due to demands of meetings and conferences at irregular hours, members of the Child Study Team, Nurses and the Coordinator of Auxiliary School Programs shall be excluded from assuming non-instructional duties. However, in the event of an emergency, non-instructional duties may be temporarily assigned at the discretion of the Superintendent.

ARTICLE VI - Retirement Sick Leave Accumulation

Upon retirement a teacher who has taught in the district for a minimum of ten continuous years prior to retirement shall be reimbursed at fifty percent of his final year daily salary for all unused accumulated sick leave. A teacher considering retirement must advise the Superintendent in writing no later than November 1st of the year prior to retirement. Failure to advise by that date will delay payment until the second year after retirement. The method and date of payment shall be mutually determined by the retiree and the Board of Education.
